Dear Ms. Seihndel,
Thank you very much for your help.
We look forward to hearing from you soon.
I have been speaking recently with a Document Services employee (at 1-800-972-6382) whose name I did not catch, and also with Document Services Supervisor Regina White at 703-756-1303.
I have not had contact with anybody at the Office of Patent Legal Administration regarding this issue.
Please let us know if we can help in any way.
Ed

Mr. Withrow,

The USPTO Office of the General Counsel has received your request for records of whether any certified copies have been issued for certain patent reexamination cases, patents and applications (via fax dated September 6, 2012). Your letter referenced Docket No. 1104-IDSRE. I am looking into this now and will get back to you within the next day or two to let you know how we will proceed.

EXHIBIT B 2/2

In the meantime, can you please let me know who you have been working with in the Office of Patent Legal Administration? Thank you.

Kind regards,

Kathryn Siehndel
